CSF ISSUE

- Box 2 - pesticide products: Specify the name of the producer and the address of the site where this product will be produced or formulated either inside or outside USA

- Example – Imported products (EP or MUP)
 - Enforcement uses the approved CSF to match Box 2 with the Landing Bill. If the two papers do not agree the imported product will not be allowed to enter USA

Product Stewardship

- Stewardship - integrity of your product line should be a major task each year
- In 2009, several companies had an major issues with not having enough MUP material for the production year due to this issue
