

CHOICE[®]

Weather Master

WATER CONDITIONING AGENT For Agricultural, Industrial, Turf and Ornamental Sprays

Principal Functioning Agents:

Propionic acid ammonium salt, alkylphenol ethoxylate
phosphate ester, 2-hydroxy-1,2,3-propanetricarboxylic acid,
ammonium sulfate, acrylic acid polymer sodium salt.....50%

Constituents ineffective as spray adjuvants.....50%

TOTAL **100%**

CA Reg. No. 34704-50038
WA Reg. No. 34704-05005

**KEEP OUT OF REACH OF CHILDREN
CAUTION**

NET CONTENTS:
275 U.S. GALLONS (1040.875 L)
U.S. GALLONS (_____) L

CAUTION: Harmful if swallowed, absorbed through skin or inhaled. Avoid breathing vapor or spray mist. Remove contaminated clothing and wash clothing before reuse. Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling. Personal Protective Equipment: Wear Long-sleeved shirt and long pants, Socks, Shoes and Gloves. First Aid: If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. **If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. **If swallowed:** Call a poison control center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. **If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. **FOR A MEDICAL EMERGENCY INVOLVING THIS PRODUCT, CALL 1-866-944-8565.**

GENERAL: CHOICE® WEATHER MASTER water conditioner is formulated to aid the performance and mixing of spray solutions. Hard water and high pH can reduce the mixability and/or solubility of certain pesticides. Components of **CHOICE WEATHER MASTER** sequester and chelate hard water ions. Ammonium sulfate and ammoniacal nitrogen from the salt components of **CHOICE WEATHER MASTER** will aid in uptake of some herbicides by certain plant species. **CHOICE WEATHER MASTER** can be used as an ammonium sulfate replacement. **CHOICE WEATHER MASTER** may be used on a wide variety of agricultural crops or industrial and non crop sites, such as but not limited to; Forestry (site preparation and release), Industrial (storage areas, plant sites, and other similar areas including governmental and private lands), Grasslands (including pastures, rangeland and fence rows), Right-of-ways (utility, railroad and roadsides), Turf (golf courses, parks, sod farms, and lawns), and Ornamentals (container, field, greenhouse or nursery) and other turf, ornamental and landscaping sites.

Directions For Use: **CHOICE WEATHER MASTER** is formulated to have no antagonism when used with Roundup WeatherMAX®. Fill spray tank 1/2 full of water and begin agitation. Add desired rate of **CHOICE WEATHER MASTER** to water before adding pesticides. Add pesticides, as directed by label, while maintaining agitation. Always add **CHOICE WEATHER MASTER** to water before pesticides. For tank mix compatibility concerns, conduct a jar test of the proposed mixture to ensure compatibility of all components. Mix components in the same ratio as the proposed tank mix.

Suggested use rate:

2 to 4 pints per 100 gallons – (1/3 to 2/3 fluid ounce per gallon)

Per Acre: 1/2 pint per acre has demonstrated performance equal to 2 lbs. Ammonium Sulfate

Note: This product has demonstrated excellent plant safety; however, not all species of ornamentals have been tested. Before treating a large area, test on a small area and observe prior to full-scale application. Higher mineral content in water will require the higher rates of **CHOICE WEATHER MASTER**. **CHOICE WEATHER MASTER** does not replace requirement for adding surfactant. If pesticide label requires the addition of a surfactant, add Activator 90, LI 700® or Liberate® at recommended rate. Tank mixing with Compadre® will provide drift reduction and de-foaming of spray solutions.

Environmental Hazards: Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when cleaning equipment or disposing of equipment wash-waters.

Storage: Store in cool, dry place. Store in original container. Keep tightly closed. Do not reuse empty container.

Disposal: Do not contaminate water, food or feed by storage or disposal. Wastes may be disposed of on-site or at an approved waste disposal facility. Triple rinse (or equivalent) adding rinse water to spray tank. Offer container for recycling or dispose of container in sanitary landfill, or by other procedures approved by appropriate authorities. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrcycle.org.

CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

BEFORE BUYING OR USING THIS PRODUCT, read the entire Directions for Use and the following Conditions of Sale and Limitation of Warranty and Liability. By buying or using this product, the buyer or user accepts the following Conditions of Sale and Limitation of Warranty and Liability, which no employee or agent of LOVELAND PRODUCTS, INC. or the seller is authorized to vary in any way. Follow the Directions for Use of this product carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Crop or other plant injury, ineffectiveness, or other unintended consequences may result from such risks as weather or crop conditions, mixture with other chemicals not specifically identified in this product's label, or use of this product contrary to the label instructions, all of which are beyond the control of LOVELAND PRODUCTS, INC. and the seller. The buyer or user of this product assumes all such inherent risks.

Subject to the foregoing inherent risks, LOVELAND PRODUCTS, INC. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use when the product is used in strict accordance with such Directions for Use under normal conditions of use. EXCEPT AS WARRANTED IN THIS LABEL AND TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, THIS PRODUCT IS SOLD "AS IS," AND LOVELAND PRODUCTS, INC. MAKES NO OTHER WARRANTY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ELIGIBILITY OF THIS PRODUCT FOR ANY PARTICULAR TRADE USAGE.

IN THE UNLIKELY EVENT THAT BUYER OR USER BELIEVES THAT LOVELAND PRODUCTS, INC. HAS BREACHED A WARRANTY CONTAINED IN THIS LABEL AND TO THE EXTENT REQUIRED BY APPLICABLE LAW, BUYER OR USER MUST SEND WRITTEN NOTICE OF ITS CLAIM TO THE FOLLOWING ADDRESS: LOVELAND PRODUCTS, INC., ATTENTION: LAW DEPARTMENT, PO BOX 1286, GREELEY, CO 80632.

TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, THE BUYER'S OR USER'S EXCLUSIVE REMEDY FOR ANY INJURY, LOSS, OR DAMAGE RESULTING FROM THE HANDLING OR USE OF THIS PRODUCT, INCLUDING BUT NOT LIMITED TO CLAIMS OF BREACH OF WARRANTY OR CONTRACT, NEGLIGENCE, STRICT LIABILITY, OR OTHER TORTS, SHALL BE LIMITED TO ONE OF THE FOLLOWING, AT THE ELECTION OF LOVELAND PRODUCTS, INC. OR THE SELLER: DIRECT DAMAGES NOT EXCEEDING THE PURCHASE PRICE OF THE PRODUCT OR REPLACEMENT OF THE PRODUCT. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, LOVELAND PRODUCTS, INC. AND THE SELLER SHALL NOT BE LIABLE TO THE BUYER OR USER OF THIS PRODUCT FOR ANY CONSEQUENTIAL, SPECIAL, OR INDIRECT DAMAGES, OR DAMAGES IN THE NATURE OF A PENALTY.
